**Welcome, Welcome, Welcome to
The Frog & Bear Bed and Breakfast.**

Escape from today's hectic lifestyle, and discover a pampered and peaceful moment in time. As our guests, you will be invited to step into this beautiful 1890 Victorian home. Enter the large parlor decorated with unusual antiques, interesting art, gleaming woodwork and a touch of whimsy.

Please feel free to browse our library and surf the internet, or find a book and retire to the parlor, porch, secluded patio, or your room, and curl up on one of the comfortable chairs. Follow the path to our secret garden and enjoy the seasonal beauty, or sit on the large front porch and breathe the Mississippi River air.

When it's time to retire, climb the grand oak staircase to your private guest room. Outside your door you will find the butler's pantry stocked with treats and complimentary hot and cold beverages 24 hours a day. In the morning, a sumptuous full breakfast is served in the elegantly appointed dining room by the fireplace.

Our hope is to make **The Frog & Bear** the kind of escape that people dream of: Peaceful, luxurious surroundings and fabulous food, all laced with a touch of whimsical fun.
